

10 ft Coax High Resolution VGA Monitor Extension Cable - HD15 M/F

Product ID: MXT101HQ10

This 10ft High Resolution VGA Extension Cable is designed to provide the highest video quality possible through VGA.

Ideally suited for high resolution VGA applications, this high quality male to female coaxial VGA extension cable helps to eliminate picture "ghosting" and fuzzy images inherent to non-coaxial cables, and provides superior EMI interference protection by using ferrite cores near the connector ends.

Certifications, Reports and Compatibility

Applications

- Extends your VGA monitor cable

Features

- Ideal for high resolution monitors (1920x1200 and above)
- Triple-coaxial + twisted-pair wire for crystal clear display
